

Library Guide for UTMMy Students

University of Tsukuba Library

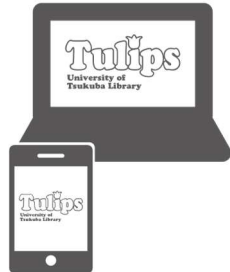

This is the introduction to the services available to students at the Malaysian campus of the University of Tsukuba.

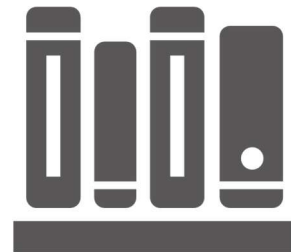

There are five libraries: four in Tsukuba and one in Tokyo.
You can use any library when you visit Japan.

Collection size

E-journals: 40,000 titles
E-books: 40,000 titles

Books: 2.8 million copies
Journals: 30,000 titles

We subscribe to a number of e-books and e-journals. Some of these e-resources can be accessed remotely from the Malaysian campus.

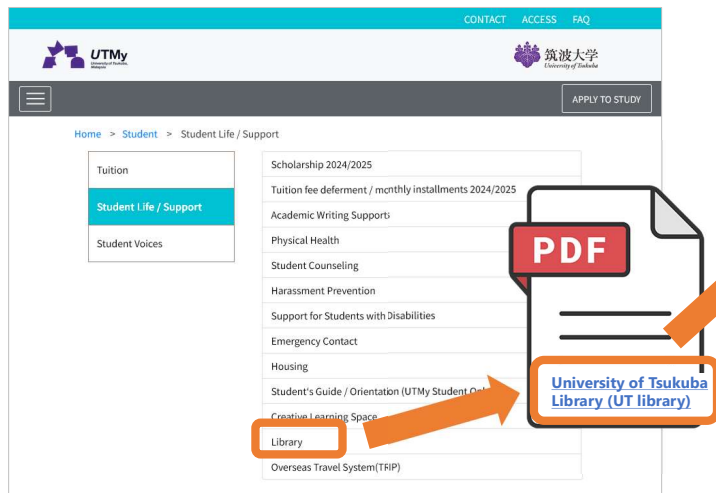

The library also holds many books and journals, available when you visit Japan.

Using Electronic Resources

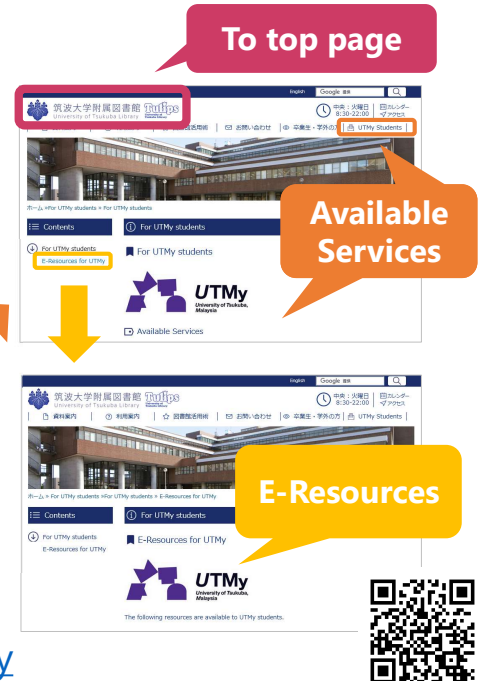

First, we'll explain how to use the library's electronic resources.

Visit the library website

<https://www.tulips.tsukuba.ac.jp/lib/en/utmy>

On the UTM My Student Life/Support site, click **Library** for a PDF guide.

Then click **University of Tsukuba Library** link in the PDF to access the webpage for UTM My members.

You can also use the **UTM My Students** link in the top menu of the library website.

Find e-resources via **E-Resources for UTM My** in the left menu.

Database Example: Web of Science

Web of Science is recommended for finding scholarly articles across fields.

Even if a resource in the search results appears to allow remote access, it may not be available from the Malaysian campus due to license restrictions.

DB Example: JapanKnowledge

The screenshot displays the JapanKnowledge Lib website interface. At the top, there's a navigation bar with links for 'Contents', 'Support', 'Guide', 'Jpn', '筑波大学', and a 'Logout' button. Below this is a search bar with a 'headword' dropdown and a 'Search' button. A 'Phrase search' checkbox is also present. On the left side, there's a 'Contents' sidebar with a tree view of categories and their item counts. The main area shows search results for '6093415 results'. The results are listed in a table with columns for 'snippet', 'relevance', and '20 results'. The first result is '1. “74年不況”に備える証券界 - 九月決算・トップ人事のウラオモテ (1973年11月10日)' from 'Toyo Keizai 5 (1968-1983)'. The second result is '2. “楽しい生活”告知板' from 'Bungeishunju 5 (1960-1967)'. The third result is '3. “21世紀の巨人”ドイツの素顔 日本が“片想い”を続ける国 (1993年12月25日)' from 'Toyo Keizai 6 (1984-1999)'. The fourth result is '4. “21世紀めざして” (1969年1月11日)' from 'Toyo Keizai 5 (1968-1983)'. The fifth result is '5. “69年目”を予言した男' from 'Bungeishunju 6 (1968-1975)'. The sixth result is '6. “70年代われらの都市構想” (1970年1月3日)' from 'Toyo Keizai 5 (1968-1983)'. The seventh result is '7. “Blood Debt” Incident 【シンガポール血債問題】' from 'Encyclopedia of Japan'. JapanKnowledge is recommended for Japanese reference materials.
It offers encyclopedias, dictionaries, and history resources.

DB Example: Asahi Shimbun Cross Search

The screenshot shows the Asahi Shimbun Cross Search website. The header includes the site name '朝日新聞クロスサーチ' and navigation links for 'Japanese', 'How to Use', 'Terms of Use', and 'Logout'. A left sidebar contains a 'TOP' button and a list of search filters: 'Articles 1985-', 'Digitized Archive -1999', 'Keyword Search', 'Search by Date', 'Regional pages', 'Regional pages 8 ver.', 'Overseas Editions', 'Contemporary Words', 'English News', 'Who's Who', 'Asahi Graph', and 'Historical Photo'. The main content area features two 'お知らせ' (Notice) boxes at the top, a search bar with a 'Cross search' button, and a 'Search by Genre' section with tabs for 'Articles 1985-', 'Digitized Archive -1999', and 'English News'. Below the tabs is a grid of genre buttons including '最新号 (記事テキスト)', '天声人語・オピニオン', '時事に強くなる', '就活応援', '政治・国際・経済', '教育・科学・環境', 'エンタメ', '文化', 'くらし・健康', '人・生き方', '読書・書評', '人気の企画・長期連載', 'スポーツ', '社会・話題', '全国ふるさと記事', '朝日新聞デジタル独自記事', and 'よみがえり記事'. At the bottom, there is a '最新号 (記事テキスト)' section with links for 'Morning Edition / Evening Edition / AERA' and a '天声人語・オピニオン' section with a list of links for various content types.

Asahi Shimbun Cross Search is for searching articles from the Asahi Shimbun newspaper.

E-book example: Kinoden

Kinoden is a platform for accessing Japanese academic e-books.

JapanKnowledge, Asahi Shimbun Cross Search, and Kinoden have a limit on the number of users who can access them at the same time; try again later if access fails.

Next, let's look at how to search for a wider range of materials using Tulips Search. Enter keywords in the homepage search box and click the magnifying glass icon.

Searching for open access materials

The screenshot shows the Tulips Search interface. The search term is "Sleep Quality", resulting in 95,022 results. On the left, under "Refine your search", the options "Add results beyond your library's collection" and "Open Access" are checked. An orange arrow points from the search results to a login page for Tsukuba University. The login page is titled "筑波大学 Webサービスログイン (Login to Library Web Services)" and "統一認証システム (Unified Authentication System)". It includes fields for "ユーザーID (user id)" and "パスワード (password)", and a "Login" button.

Tulips Search lets you find various formats worldwide, beyond the university collection.

If the paper you want to read has a “Full Text Online” link, click on it.

If prompted, log in for remote access; authentication lasts for a while.

Note: Some resources are unavailable for UTM students because of licensing restriction.

You can search for open access (free online) resources by checking 'Add results beyond your library's collection' and 'Open Access.'

Link Resolver: Tulips Linker

The screenshot shows the Tulips Linker interface from the University of Tsukuba Library. It displays search results for a journal article. The article title is "Acute and long-term sleep measurements produce opposing results on sleep quality in 8 and 12 hour shift patterns in law enforcement officers". The author is Sharma, Leona. The journal is Journal of sleep research, ISSN 1365-2869, dated 10/2023. The volume is 32, issue is 5, and the page is e13862-e13862. The DOI is 10.1111/jsr.13862. There are two "Full Text Online" buttons highlighted with orange boxes. The first button is linked to Wiley Free Content, and the second button is linked to Wiley Online Library. Both buttons have a "Full Text Online" label. The Wiley Free Content link is for the year 1997 - 1 year ago, and the Wiley Online Library link is for the year 1997 - present. Both links have a "View terms of use for the above results." link below them.

The main search area has a 'Top > Detail search' breadcrumb, a 'Clear' button, and a 'Search' button. The search filters are organized into two columns: 'Local collection' (selected) and 'Cinii Books'. The 'Local collection' column includes 'Select annex' (All, L&IS, Central, Otsuka), 'Material type' (All, Book, E-book, E-journal), 'Keyword', 'Title', 'Author', 'Subject', 'Publisher', 'Publication year' (with a range selector), 'Material format' (All), 'Language' (with a dropdown arrow), 'ISBN', 'ISSN', and 'Location' (All). The 'Cinii Books' column includes 'Select annex' (All, Central, Otsuka), 'Material type' (All, Book, E-book, E-journal), 'Keyword', 'Title', 'Author', 'Subject', 'Publisher', 'Publication year' (with a range selector), 'Material format' (All), 'Language' (with a dropdown arrow), 'ISBN', 'ISSN', and 'Location' (All). A 'Languages' dropdown menu is open, showing a list of languages: 'jpn. Japanese 日本語', 'eng. English 英語', 'fre. French フランス語', 'ger. German ドイツ語', 'rus. Russian ロシア語', 'spa. Spanish スペイン語', 'chi. Chinese 中国語', and 'kor. Korean 韓国語'. Below the list are expandable sections for 'A', 'B', 'C', and 'D'. An orange box highlights the 'Language' field and the 'Languages' dropdown menu. An orange arrow points to the 'Languages' button next to the 'Language' field.

You can filter results by book content language on the detailed search page.
