

Central Library ★ Student Support Desk Learning Adviser 2012

These seven Learning Advisers support you anytime 14:00 - 19:00 on weekdays (Term Period) at the Student Support Desk in the Central Library.

MATSUMOTO

You're always welcome to ask us questions about PCs, your reports and so on. We are there to support you.

You can ask us for advice about your study and anything you want to have a talk.

My favorite place in the Central Library

The 1st floor, you can study in peace and with concentration.

TSUBOYAMA

Please come to me when you need any help. We can support you or try to solve your matter (e.g. how to use PCs in the library, how to find references, etc.) with you!

If I were you, I would ask learning advisers to read and make comments on reports or entry sheets for jobs.

My favorite place is the desk in the back of powered mobile shelving, 5th floor of annex, it is so quiet and you can be relaxed.

NAMIKI

Feel free to ask us what you like.

I think Learning advisers are very useful because they consult us on whatever condition you may have.

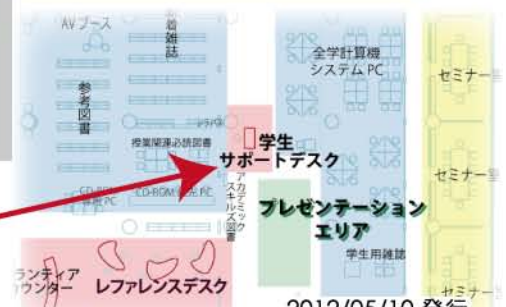

My favorite place in the Central Library

Lounge space on 2nd floor is very useful when people want to write down all of their ideas.

- Area of Specialty, Keywords ●

NAGAMI

I will do my best to support your learning ! Please ask any questions for us freely !

I want to proofread my writing such as report with learning Adviser.

My favorite place in the Central Library

My favorite place is wherever my favorite books exist. I like the place where I can smell old books.

Area of Specialty, Keywords

KOBAYASHI

I want to get friendly with students of the University of Tsukuba through this work. Improve this opportunity to enrich your student life ♪

We'll also welcome small things, for example, when you have trouble with using PCs, printing, searching for books etc... feel free to ask us!

My favorite place in the Central Library

I like "study cubicles". You can use the room all to yourself. There is so silent that you can concentrate on your work. Internet connection and AC power source are available in there. (only graduate students and teachers can use the room)

Area of Specialty, Keywords

Image processing, Medical image, Programing

I would like to hear the method of using library's homepage. It has very useful functions. I not only want to ask about library, but also hear about campus life.

Graduate school of System and Information Engineering

HONG

Enjoy your time at the library and discover "hidden treasures" !

The very first step of your study would be "Getting information".

Just come to 'the student support desk', and tell us what you want to search for. We are here for you!

My favorite place in the Central Library

Do you know the communication room on 2nd floor? It is not well known for people, but it is opened to everyone. You don't need to reserve the room. The communication room will be useful for you!

Area of Specialty, Keywords

My favorite place in the Central Library

Global Information Corner (3F-Lounge)

There are many comics such as Nodame Cantabile and Doraemon(English ver). I was amazed it.

This room is better suited for group activity too.
