KANAI

I usually use SPSS (and occasionally R) in my study. Thus, feel free to come to our desk when you want to know how to use them. I think that it's very important to think alone, but sometimes you may be narrow-minded.

When you want to borrow "someone's" viewpoint, please come to our desk!

If I were you, I would ask learning advisers...

- When I want to organize my thoughts by talking with others.
- When I want to let someone check my power point file or presentation.
- When I want to know about an entrance examination of graduate school or daily life in graduate school.

My favorite place
